Pune: The government of India sponsored ITEC training programme on inclusive banking and finance was held at the NIBM campus between November 11 and 23. The programme was attended by 30 participants from 28 African and central Asia countries, that is South Sudan, Mozambique, Ethiopia, Tanzania, Zambia, Madagascar, Morocco, Qatar, Uzbekistan, Kyrgyzstan among others. There was an overwhelming response to the programme which was first of its kind conducted at NIBM. In all, there were 68 application received, against 30 participants to be accommodated in any such programme. Therefore, the government has allowed NIBM to repeat the said programme to accommodate the remaining participants.
